The student council established a goal at the beginning of the year to donate to several charities. The student council would like for you to select the specific charity of your choice. Proceeds will be split based on student votes.

Please mark your student's choice. Student Council has selected two options:

_____ CARE "CARE works around the globe to save lives, defeat poverty and achieve social justice. We seek a world of hope, tolerance, and social justice, where poverty has been overcome and all people live with dignity and security." -<https://www.care.org/>

_____ World Wild Life Foundation to protect endangered species. Student Council wants to "adopt" a polar bear. <https://www.worldwildlife.org/>
