BULLETIN

NOVEMBER 1 '22

## HAPPENINGS

A spooky visitor in the form of a bass flute came to class during spirit week. Discussions about the instrument ensued with duets of musicians exploring musical concepts of timbre, overtones, octaves, and dissonances.

## November Schedule

All students will attend Monday through Thursday the first two weeks in November. Band will not be held November 14 - 17; please pick up your student at early release time. After Thanksgiving break, regular Monday through Thursday attendance is planned from 3:20 - 4:05. We are planning our first performance at the Winter Program December 21st at the Fortuna Riverlodge.
