## **GENERAL INFORMATION**

### **Mission Statement**

Redwood Preparatory Charter School is a community of learners that exists to inspire each student to academic excellence using research-based best practices and innovative means to build a passion for learning, a solid foundation of knowledge, and a strong sense of social responsibility.

### **Vision Statement**

Our school shall be built upon a foundation consisting of the following five core values: Academic Excellence, Sense of Community, Social Responsibility, Collaborative Leadership, and Educating the Whole Child.

Redwood Preparatory Charter School is committed to offering a quality, rigorous and meaningful educational program that sets students on the path to college, and empowers students to become productive, healthy, ethical citizens in a changing society. Through a curriculum based on core academic standards and research based best practices, we will empower students to become self-motivated, lifelong learners. Utilizing assessments and data to guide our instruction, we will ensure that all students reach their highest levels of academic achievement.

Through participation in classroom, school, local and global communities, Redwood Preparatory Charter will nurture respect for diversity and civic responsibility. We will establish a vigorous learning community that reflects and supports our common core values. Children develop social responsibility and feel a greater sense of belonging in an environment which promotes close, long term relationships between classmates and teachers. In an atmosphere of collaboration and family involvement, which embraces considerate and clear communication, we believe that children flourish and grow to be healthy, competent, engaged members of our society.

Students thrive when offered opportunities to expand experiences through enrichment. We will foster a culture of exploration through programs and choices that promote individual and collaborative inquiry. We aim to educate the whole child by integrating drama, music, art, technology, and athletics into the curriculum. These experiences teach students to problem solve, work creatively and develop perseverance. By integrating our five core values, Redwood Preparatory Charter School is committed to educating students that are equipped with the essential skills, knowledge, and passion for learning that are critical for success in the 21st Century.

### **Core Values**

Redwood Preparatory will be an academically rigorous school that values community, fosters social responsibility, and develops well-rounded students who are prepared for the challenges of the 21st century. We are committed to providing research-based instruction that incorporates best practices for meaningful learning. At Redwood Prep, we embrace five core values that reflect the mission and vision of our learning community. We believe these core values to be essential components of an optimal learning environment. These core values incorporate instructional practices in which learning best occurs:

1. High expectations for academic excellence
2. A focus on classroom, school, local, national, and global community
3. An emphasis on individual and social responsibility
4. Collaborative and collective leadership
5. Well-rounded educational opportunities

Our five core values function as the foundation upon which we structure our daily instruction to achieve student success academically, socially, and emotionally. These core values are the guiding force in creating a school that meets the needs of 21st century learners.

We appreciate your investment in your child and in our school! Hours may begin accruing as soon as enrollment is complete and can be completed at any time throughout the school year. There are many ways to be involved at Redwood Prep, such as:

#### Truancy

We strongly encourage students to arrive at least five minutes before school begins. Students who are late to school need to come by the office to receive a tardy slip prior to going to class. If a student is tardy nine or more days or is chronically absent, they may be referred to SARB (Student Attendance Review Board) for a formal attendance plan.

## **HEALTH AND SAFETY**

In order to provide safety for all students and staff, Redwood Preparatory Charter implements full health and safety procedures and risk management policies at our school site in consultation with the insurance carrier and risk management experts.

So for example if you work for or were previously employed by places like but not limited to Humboldt County, CR or HSU, you still require fingerprinting with RPC. If you work or have worked at another school and have been fingerprinted through HCOE (Office of Education) you may provide proof of fingerprint clearance and do not need to be reprinted.

Volunteers who continue volunteering beyond one school year will not need to get fingerprinted again.

### **TB Tests**

New volunteers must complete a TB questionnaire (Good for 2 years and then a new form must be completed)

### **Role of Staff as Mandated Child Abuse Reporters**

All non-certificated and certificated staff will be mandated child abuse reporters and will follow all applicable reporting laws.

In order for a pupil to be assisted by a school nurse or other designated school personnel, Redwood Prep must obtain both a written consent from the physician, surgeon, or physician assistant detailing the name of the medication, method, amount, and time schedules by which the medication is to be taken. Additionally, we require a written consent from the parent, foster- parent, or guardian of the pupil indicating the desire that the school assist the pupil in the matters set forth in the statement of the physician and surgeon or physician assistant. Consent forms are available in the office.

Any medications that can be administered at home must be given at home.

## **PARTICIPATION IN RPREP EXTRACURRICULAR ACTIVITIES**

### **Eligibility Requirements**

Since students will be representing Redwood Preparatory Charter (“Redwood Prep”) school and community, there are certain eligibility standards that Redwood Prep requires all students participating in extracurricular activities to adhere to:

#### **5th & 6th Grade:**

Eligibility at fifth (5<sup>th</sup>) and sixth (6<sup>th</sup>) grade will be determined by work completion and upholding behavior standards. A student engaging in behavior as defined in the Redwood Prep discipline matrix may be ineligible to participate. Initial eligibility to participate in an extracurricular activity will be determined by the classroom teacher.

After initial eligibility has been met and a student begins an extracurricular activity, if the student is not completing classwork, homework, and/or exhibiting concerning behavior, parents/guardians and the teacher will meet together to create a written plan for improvement. The student will be given a two (2) week probationary period to meet the expectations outlined in the plan for improvement. A student failing to meet the improvement expectations will lose eligibility for either the season (sports teams, cheer, seasonal activities) or until the start of the next trimester (band, student council, yearbook, yearlong activities). Grades will not be a factor in determining eligibility until the student commences 7th grade.

#### **Attendance at Practice Sessions:**

Attendance at practice sessions is mandatory. No student is expected to practice if they are ill. If a student must miss a practice for reasons other than illness, arrangements must first be made with the coach/instructor. Failure to do so may result in loss of eligibility.

#### **School Attendance:**

Each student must attend school on the day of practice or game/activity to participate. Even if a student is participating in Independent Study, it disqualifies the student from participating in that day’s practice/game/activity. On game/activity days, each student must attend a full day of school unless other arrangements have been approved by the student’s homeroom teacher. If a student is released early on game/activity days, the student must attend school until the designated release time to maintain eligibility. The designated release time will be set by the coach and the athletic director for sports and the instructor/administration for other activities.

#### **Return after Injury:**

If an athlete has an injury that requires a health care provider’s care, written clearance from the healthcare provider must be submitted to the Athletic Director/School before resuming participation in practice and/or games.

**7th & 8th Grade:**

Eligibility in seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) will be based on grades and behavior and will be determined at eligibility checks\*\* throughout the school year.

**Extracurricular Eligibility Checks: See Extracurricular Handbook**

Initial eligibility is based on Trimester 3 grades and behavior from previous school year
09/17/2024 (eligibility check) 09/24/2024 (final determination)
11/15/2024 (eligibility check) 11/22/2024 (final determination)
02/07/2025 (eligibility check) 02/14/2025 (final determination)

\*\*Eligibility for students with an Individualized Education Program (“IEP”) or a Section 504 Plans will be determined in accordance with these plans.

**Grades** - Each student must meet the minimum requirements at eligibility checks to participate in athletics. Each student must earn at least a 2.5 grade point average (“GPA”) within each curricular area: Math, Science, Language Arts & Social Studies. A student will be given a one (1) week warning prior to eligibility checks to bring their grades up. The responsibility to make-up missed assignments, schedule test retakes, or any other actions to improve scores rests solely with the student. If grades do not meet the minimum requirements at the eligibility check, the student will lose eligibility for the rest of that season for seasonal activities and until the next trimester for year-long activities.

**Behavior**- If a student earns three (3) detentions within a season the student will become ineligible to play for the remainder of the season.

**Attendance at Practice Sessions:**

Attendance at practice sessions is mandatory. A student is not expected to practice if they are ill. If a student must miss a practice for reasons other than illness, arrangements must first be made with the coach/instructor. Failure to do so may result in loss of eligibility.

**School Attendance:**

Each student must attend school on the day of practice or game/activity to participate. Even if a student is participating in Independent Study it disqualifies the student from participating in that day’s practice/game/activity. On game/activity days, each student must attend a full day of school unless other arrangements have been approved by the student’s homeroom teacher. If a student is released early on game/activity days, the student must attend school until the designated release time to maintain eligibility. The designated release time will be set by the coach and the athletic director for sports and the instructor/administration for other activities.

**Return after Injury:**

If an athlete has an injury that requires healthcare provider’s care, written clearance from the healthcare provider must be submitted to the Athletic Director/School before resuming participation in practice and/or games.

### **8th Grade End-of-Year Activities**

Students will attend several activities during the last week of school. Activities could include, but are not limited to: trips, activities, dances, etc. In order to participate in the 8th grade activities, students must:

- 1) Academics - Earn at least a cumulative score of 2.5 in all core academic standards.

# INSTRUCTIONAL PROGRAM – 7<sup>TH</sup> AND 8<sup>TH</sup> GRADE STUDENTS

## Grade Book

The 7th & 8th grade teachers use IGradePlus which is an online accessible gradebook. You may access your child's grades by using the code that will be emailed to you prior to the beginning of each school year. This individual code will allow you to access your child's grades. You'll only need to register once with this link:

<https://www.igradeplus.com/parent/activation> . After you have registered, you will log in with this link:

<https://www.igradeplus.com/login/parent>. Students will have the same process, but teachers will go over this during the first week of school. Links can also be found on Mrs. Dore's classroom webpage.

## Grade Weighting:

Individual teachers will determine how grades are weighted at the beginning of each school year.

## Homework

Middle school has homework assigned in all curricular areas and will be a mix of print and digital. Please check your child's grades regularly to ensure they've actually completed their assignments.

## Late Work

Individual teachers will determine whether they will accept late assignments. Your child's teacher will communicate their policy with you.

## Tests/Assessments

All tests should be completed within 1 class period unless accommodations have been made in advance with the teacher. However, if the test is not completed, students will need to make it up at study hall or another arranged time.

Such plans may include tutorial programs, intervention or remediation programs, afterschool programs, and/or summer school programs.

Eighth grade students must meet the following eligibility requirements in order to participate in the Redwood Preparatory Charter School promotion ceremony and related end-of-the-year promotion activities. In order to participate in the eighth grade promotion activities at the end of the year, a student must meet the requirements outlined below:

**REQUIREMENTS FOR PROMOTION FROM 7TH AND 8TH GRADES:**

Redwood Preparatory's promotion criteria is derived from a combination of scores based on content mastery and participation as outlined below:

- Students must achieve a yearly cumulative average of (3.0) or higher in all core subjects. Cumulative averages are based upon assessments of content standards with up to and additional 1.0 added for participation in each core subject. Participation includes effort, attendance, project completion, homework, and collaboration.
- Promotion of any 8th grade student not attaining at least a 3.0 final average in each of their core subjects will be reviewed by our Middle School Promotion Team (All Middle school teachers, School Director, SPED teacher, if applicable). Promotion team will meet to discuss promotion or retention of students not meeting benchmarks.
- Promotion team will meet at the beginning of the third trimester each year to determine which student(s) need to be reviewed.
- Promotion team will make a recommendation for next steps (i.e. summer school, retention, further interventions, etc.)
- All 8th grade students must complete and log 12 hours of community service at a local non-profit organization.
- 7th & 8th grade students not meeting yearly cumulative average requirements may be referred for summer school.

**OTHER REQUIREMENTS:**

- Students with IEP Plans have customized programs which may override the above requirements. The IEP plan will describe the conditions by which the student will be assessed and identified for promotion/retention.
- Students who are not meeting school behavior expectations may be placed on a behavior contract to determine end of year activity and graduation eligibility.
- Students must be clear from all financial obligations to the school. The certificate of promotion will be given to the student once the financial obligations are fulfilled.
- Any case that involves special circumstances may be reviewed by the DIBI Board of Directors. All decisions made by the board shall be final.

## **BUILDING A POSITIVE AND RESPECTFUL SCHOOL CLIMATE**

### **Student Dress Code**

Redwood Preparatory Charter School ("RPC" or the "School") students and staff should wear clothing which is not disruptive to the educational process. This dress code shall be in effect on campus during school hours and at School sponsored activities except where modified by the Director for specific extracurricular activities or in special cases. The RPC staff and administration reserve the right to determine clothing which detracts from the educational environment. If a staff member determines that a student's attire is inappropriate or disruptive to the school environment, the student will be asked to change clothing for more appropriate apparel before returning to class or campus.

### **School Attire:**

1. Tops (i.e.: shirts, sweaters, sweatshirts, dresses, etc.): No tops may be sheer or expose undergarments. No strapless, or off the shoulder tops. No shirts may be worn that expose bare midriff.

## **Student Internet Use Policy and Agreement**

The Internet is a place for the exchange of ideas and information. Accordingly, the Internet is an excellent educational tool that allows students to access a wide variety of information to supplement academic study and research. Redwood Prep provides students with Internet access and email accounts to further their education and research. However, the access the Internet provides to computers and people across the world also provides access to materials that do not have educational value in a school setting. As such, students may encounter information and ideas they may consider obscene, controversial, abusive, or otherwise offensive. Despite these risks, Redwood Prep believes that the value of the educational information available on the Internet far outweighs the risk that students may access information that is not consistent with educational goals and purposes.

Redwood Prep has developed and adopted this Student Internet Use Policy and Agreement (“Policy”) to ensure that student access to and use of the Internet is consistent with the educational goals and purposes of the school. This Policy sets forth student responsibilities and duties when accessing and using the Internet through Charter School equipment and resource networks and when using email accounts maintained by Redwood Prep. Redwood Prep has deemed certain uses of the Internet inappropriate for an educational setting and therefore not appropriate for use with school equipment and resource networks. Redwood Prep stresses that an inappropriate use does not always mean that the use is in itself “bad” or illegal, but only that the use does not further the educational goals and purposes of Redwood Prep.

In addition to the below identified policies, Redwood Prep will use technology protection measures that protect against Internet access (by both minors and adults) to visual depictions that are obscene, child pornography, or with respect to use by minors, harmful to minors. These measures may include, but are not limited to, installing a blocking system to block specific internet sites, setting Internet browsers to block access to adult sites, using a filtering system that will filter all Internet traffic and report potential instances of misuse and using a spam filter.

Students are reminded that their use of school equipment and resource networks reflect upon Redwood Prep, and Students should guide their activities accordingly.

### **STUDENT RESPONSIBILITIES**

#### **1. Use Limited to an Educational Purpose**

The Student acknowledges that access to the Internet via school equipment and resource networks is intended to serve and pursue educational goals and purposes. Student use of the Internet is therefore limited to only those activities that further or enhance the delivery of education. The Student recognizes that he or she has a duty to use school equipment and resource networks only in a manner specified in the Policy.

##### **a. Educational Purpose**

“Educational purpose” means classroom activities; research in academic subjects, career or professional development activities, research in matters of civic importance or that further citizenship in a democratic society, school approved personal research activities, or other purposes as defined by Redwood Prep from time to time.

##### **b. Inappropriate Use**

An “inappropriate use” is one that is inconsistent with an educational purpose or that is in clear violation of school policy.

#### **2. Plagiarism**

Researching information and incorporating that information into a student’s work is an acceptable educational use, but students have an obligation to credit and acknowledge the source of information. Accordingly, the Student acknowledges that plagiarism is inappropriate and unacceptable. Plagiarism means the copying of a phrase, a sentence, or a longer passage from a source written by someone else and claiming the written work as the student’s original work. Student agrees that when quoting from information obtained on the Internet, he or she will acknowledge the source through quotation or any academically accepted form of notation.

### 3. Copyright

Student agrees that he or she will not use school equipment or resource networks to download or print text, music, or pictures for the purpose of selling or giving the files to others unless specifically authorized by Redwood Prep and the owner of the copyrighted material.

### 4. Communication

Student agrees that he or she will use school equipment or resource networks or Redwood Prep email accounts in the following manner:

- a. Student will not post on newsgroups or other message posting systems any communication containing profanity, racially disparaging remarks, or lewd and/or obscene language.
- b. Student will not at any time use speech that is not appropriate for an educational setting. Examples of speech that is not appropriate for an educational setting includes, but is not limited to, inflammatory language, profanity, personal attacks, harassment, threats to do personal harm or other criminal activity, and language that is intended to be racially derogatory.
- c. Student will not make threats against others.
- d. Student will not reveal personal information about others.
- e. Student will not use email to send chain letters or "spam" email to a list of people or to an individual. Excessive email use may constitute grounds for suspecting misuse.
- f. Student will not place illegal information on the Internet, nor will Student use the Internet in any way that violates federal, state, or local law.
- g. All communications will be polite and respectful of others.
- h. Student will not give out to any other Internet user or post on the Internet his or her name, address, or telephone number unless expressly authorized by Redwood Prep in writing.

In instances of misuse or suspected misuse, in addition to any disciplinary actions appropriate, the Student's parent or guardian may be granted access to the Student's email files.

### 5. Illegal, Dangerous Activities and Hacking

Student shall not use the Internet to perform any illegal act or to help others perform illegal acts. Illegal acts include, but are not limited to, any activities in violation of local, state, and federal law. Student shall not access information designed to further criminal or dangerous activities. Such information includes, but is not limited to, information that if acted upon could cause damage, present a danger, or cause disruption to Redwood Prep, other students, or the community.

Additionally, Student shall not damage, debilitate or disable computers, computer networks or systems through the intentional or overuse of electronic distribution or the spreading of computer viruses or other harmful programs. Student shall not engage in any unauthorized online access to other computers by means of hacking into other computers, download hacker tools such as port scanners and password crackers designed for use with Windows (or applicable operating systems), or use Internet Explorer (or other WWW browsing tools) to evade restrictions on what programs Student can run on Redwood Prep's computers.

### 6. Obscene Materials

Student acknowledges that obscene materials do not further an educational purpose. Accordingly, Student shall not use the Internet to access, upload, download, distribute, or transmit obscene materials or images. Obscene materials include, but are not limited to, materials that offend generally accepted social standards. This includes the access of or retrieval of any sexually explicit materials, and materials that are pornographic, abusive or threatening. Students are to exercise their best judgment when encountering sexually explicit or obscene materials. As a general rule, if the material could not be openly displayed in a classroom setting without violating generally accepted social standards, the material is obscene for purposes of this Policy and must not be accessed. Student further agrees that he or she will not access any Internet site which requires the Student to state that he or she is eighteen years of age or older as a condition of accessing the site.

## 7. Supervision and Student Privacy

Student acknowledges that computer equipment, Internet access networks, and email accounts are owned by Redwood Prep and provided to students for educational purposes. Redwood Prep will provide staff to monitor and supervise all Student access to computer equipment, Internet access networks, and email accounts. To facilitate monitoring of activities, computer screens will be positioned so that they are visible to the staff member supervising the students. Redwood Prep also reserves the right to access stored computer records to assure compliance with this Policy. Student is aware that communication over school owned networks is not private and acknowledges that email and records of Internet activities will be accessed under, but not limited to, the following circumstances:

- a. Routine system maintenance.
- b. General inspection or monitoring, if there is suspicion of inappropriate use.
- c. Specific review of individual files or monitoring of individual activity, if there is suspicion that Student is engaging in inappropriate use.

## 8. Commercial Activities

Student agrees that Student will not use the Internet to buy or sell, or attempt to buy or sell, any service or product unless authorized by Redwood Prep in writing.

## 9. Information About Others

Student agrees that he or she will not make any statement or post any communication on the Internet about another person that he or she knows or suspects to be untrue.

## 10. Violation of Policy

The Student acknowledges that violation of this Policy can result in a loss of all Internet access and email privileges. If Student violates this Policy, or in any other way uses school equipment in a manner that is not consistent with educational uses, the Student will be promptly notified that he or she has violated the Policy. The Student will be given the opportunity to explain why Redwood Prep should deem the activity in question a use consistent with the educational purposes stated in this Policy. If Redwood Prep deems that the use is inconsistent with the educational purposes stated in this Policy, Redwood Prep may terminate the Student's Internet and email privileges. However, because one of the educational purposes in providing Internet access is to teach students to use the Internet appropriately, Redwood Prep reserves the right to fashion penalties to specific concerns or specific violations, and Student acknowledges that he or she may receive penalties less than full termination of Internet or email privileges. Such penalties may include, but are not limited to, restricted access to Internet or supervised access to Internet and email. Student also acknowledges that Redwood Prep will contact the proper legal authorities if Redwood Prep concludes or suspects that the Student's Internet activity is a violation of any law or otherwise constitutes an illegal activity.

## 11. Training

Student acknowledges that he/she will be required to attend training on the requirements of this Internet use policy as a condition of using school owned technology. Student must demonstrate an understanding of the policy prior to receiving an individual account on Redwood Prep's system.

### **Redwood Prep Computer Lending Guidelines**

Redwood Preparatory Charter School encourages students to become familiar with technology in an environment that encourages responsible computer and internet use. Students in grades 6th through 8th will be assigned their own computer for the year.

The offender will be assigned a 1 day in-school suspension with print based assignments. Print based assignments will continue until the supervising teacher(s) deems the student ready to meet technology expectations.

### **Cell Phones and Personal Technology Policy For 4-8th Grade**

Personal technology devices must remain in backpacks (on silent or turned off) or checked in to the teacher depending on classroom policies. If a student needs to send or read a text message, call a parent, or check an email during the school day, he or she must get permission from the classroom teacher or staff member and do so in the presence of the consenting staff member. If you need to reach your child during school hours, please call the front office and leave a message with the secretary.

If students have their phones or devices out in class, hallways, restrooms, playground or cafeteria the following process will be followed:

Each student has his/her own Rpep email address. This is the email that you will use for all school related accounts online. **Do not sign up for non-school related accounts with this email! This means - don't use your school account for instagram, snapchat, youtube, facebook, etc.**

**Student Discipline Policy**

Redwood Preparatory Charter’s discipline philosophy shall be based on building intrinsic motivation to make positive choices; educationally, socially and emotionally. Redwood Preparatory will utilize the philosophies of Love and Logic, the Responsive Classroom founded by the North East Foundation for Children, Inc.; Habits of Mind by Arthur L. Costa, Ed.D. , and Bena Kallick, Ph. D.; and Discipline without Stress, Rewards or Punishment by Dr. Marvin Marshall. ## **APPENDIX A: ANNUAL NOTICES**

### **Animal Dissections**

Students at the Charter School may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

### **Availability of Prospectus**

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

### **California Healthy Kids Survey**

The Charter School will administer the California Healthy Kids Survey ("CHKS") to students in grade 4 and up whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

### **Campus Search and Seizure**

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student desks and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

Student desks are school property and remain at all times under the control of the Charter School. Student desks may not be used to store illegal, unauthorized, or contraband materials. Inspections of desks may be conducted by school personnel and/or law enforcement through the use of trained dogs.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An

emergency is any situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

### **Concussion/Head Injuries**

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until the athlete is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

### **Cancer Prevention Act**

Students in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the federal Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human papillomavirus (HPV) immunization before admission or advancement to the eighth grade level of any private or public elementary or secondary school.

Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8th grade. Kids who wait until later to get their first dose of HPV vaccine may need three doses.

HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks.

### **Diabetes**

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

The Charter School will provide an information sheet regarding type 1 diabetes to the parent or guardian of a student when the student is first enrolled in elementary school, pursuant to Education Code Section 49452.6. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.
3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type1diabetes.asp>. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

### **Dangers of Synthetic Drugs**

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids ("synthetic marijuana," "Spice," "K2"), methamphetamines, bath salts, and fentanyl. The California Department of Public Health ("CDPH"), has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent.

Additional information regarding fentanyl from the CDPH's Substance and Addiction Prevention Branch [can be found here](#).

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

Even if you a parent/guardian does not owe federal taxes, they must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. A parent/guardian may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. ### **Human Trafficking Prevention**

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

## Immunizations

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

These required immunizations include:

### **Involuntary Removal Process**

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action (“Involuntary Removal Notice”). The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School’s expulsion procedures. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School’s suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder, and shall include a copy of the Charter School’s expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If the parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If, as a result of the hearing, the student is disenrolled, notice will be sent to the student’s last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

### **Lost or Damaged School Property**

If a student willfully damages the Charter School’s property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student’s parents/guardians are liable for all damages caused by the student’s misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student’s parent or guardian in writing of the student’s alleged misconduct and affording the student due process, the Charter School may withhold the student’s grades, and transcripts until the damages have been paid. If the student and the student’s parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student’s grades will be released.

### **Mental Health Services**

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition,

homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The Charter School Board of Directors shall not adopt or approve the use of any textbook, instructional material, supplemental instructional material, or curriculum for classroom instruction if the use of such would subject a student to unlawful discrimination pursuant to Education Code section 220.

The Charter School adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (“ADA”), and the Individuals with Disabilities Education Improvement Act of 2004 (“IDEIA”).

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance

with the Charter School's charter and relevant policies.

The Charter School does not request nor require student records prior to a student's enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

Pursuant to California law and the California Attorney General's guidance to K-12 schools in responding to immigration issues ("Guidance"), Charter School provides equal access to free public education, regardless of a student's or their parent's or guardian's immigration status or religious beliefs.

The complete Guidance, including *Appendix G – Know Your Rights* can be reviewed via the following link:

The Charter School also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. The Charter School does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. **Opioid Information Sheet**

The Charter School annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to the Charter School before the athlete initiates practice or competition. The fact sheet is available at:

<https://www.cdc.gov/drugoverdose/pdf/AHA-Patient-Opioid-Factsheet-a.pdf>

**Oral Health Assessment**

Students enrolled in kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school are required to have an oral health assessment completed by a dental professional. Please contact the main office if you have questions about this requirement.

**Parent and Family Engagement Policy**

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the main office.

### **Physical Examinations and Right to Refuse**

All students must complete a health screening examination on or before the 90th day after the student's entrance into first grade or such students must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to students enrolled in kindergarten. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in the Charter School may file annually with the Executive Director a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

### **Pregnant and Parenting Students**

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Karissa Feierabend  
Director  
1480 Ross Hill Road, Fortuna, CA 95540 (707) 682-6149

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Executive Director.

### **Safe Storage of Firearms**

The purpose of this notice is to inform and to remind parents and legal guardians of all students at the Charter School of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been

many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or  
(3) unlawfully brandishes the firearm to others.
  - The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.
- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

### **School Safety Plan and Asbestos Management Plan**

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

The Charter School has also established an Asbestos Management Plan. The Plan is available upon request at the main office. The following asbestos-related activities are planned or in progress at the Charter School: **no such activities are planned or in progress for the current school year.**

### **Section 504**

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the Charter School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the Charter School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Executive Director. A copy of the Charter School's Section 504 policies and procedures is available upon request at the main office.

### **Sexual Health Education**

The Charter School offers comprehensive sexual health education to its students in grades 7-8. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. The Charter School does not require active parental consent (“opt-in”) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
  - The date of the instruction
  - The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students’ health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student’s attitudes concerning or practices relating to sex) may be administered to students in grades 7-8. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent (“opt-out”) process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the Charter School has received a written request from the student’s parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

### **Special Education /Students with Disabilities**

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The Charter School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), Education Code requirements, and applicable policies and procedures of the [SELPA/AUTHORIZER]. These services are available for special education students enrolled at the Charter School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The Charter School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, the Charter School is responsible for identifying, locating, and evaluating children enrolled at the Charter School with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Karissa Feierabend, Director, (707)682-6149.

### **State Testing**

The Charter School shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress [“CAASPP”].) Notwithstanding any other provision of law, a parent’s or guardian’s written request to Charter School officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every State academic assessment administered to the student.

### **Student Records, including Records Challenges and Directory Information**

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Executive Director or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School’s Executive Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information (“PII”) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School’s Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section [152 of the Internal Revenue Code](#) of 1986;

8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent's or eligible student's prior written consent. The Charter School has designated the following information as directory information:

1. Student's name
2. Student's address
3. Parent's/guardian's address
4. Telephone listing
5. Student's electronic mail address
6. Parent's/guardian's electronic mail address
7. Photograph/video

If you do not want the Charter School to disclose directory information from your child's education records without your prior written consent, you must notify the Charter School in writing at the time of enrollment or re-enrollment.

Please notify the Executive Director at: [director@redwoodprep.org](mailto:director@redwoodprep.org). A copy of the complete Policy is available upon request at the main office.

- 1) Be used to provide pupils and families with direct access to online tools and resources.
- 2) Enable a pupil to transmit information shared with the CCGI to both of the following:
  - a. Postsecondary educational institutions for purposes of admissions and academic placement.
  - b. The Student Aid Commission for purposes of determining eligibility for, and increasing uptake of, student financial aid.

Please visit the CCGI website at [CaliforniaColleges.edu](http://CaliforniaColleges.edu) to access resources that help students and their families learn about college admissions requirements.

---

<sup>2</sup> CALPADS is a database maintained by the CDE which consists of pupil data from elementary and secondary schools relating to, among other things, demographic, program participation, enrollment, and statewide assessments data.

<sup>3</sup> CCGI is an authorized provider of an institutional service to all California local educational agencies and part of the state’s efforts to make college-going a more streamlined experience for students. Unless the student’s parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student’s, or the student’s parents’ or guardians’ personal beliefs or practices in sex, family life, morality, or religion.

### **Teacher Qualification Information**

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act (“ESEA”), as reauthorized and amended by the Every Student Succeeds Act (“ESSA”), all parents/guardians of students attending the Charter School may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student’s teacher:
  - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
  - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
  - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Director at [director@redwoodprep.org](mailto:director@redwoodprep.org) or (707) 682-6149 to obtain this information.

### **Tobacco-Free Schools**

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. The Charter School provides instructional programs designed to discourage students from using tobacco products. The Charter School’s Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of the Charter School to provide a healthy environment for students and staff.

In the best interest of students, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, students, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from the Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Executive Director or designee shall inform students, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, the Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property.

### **Uniform Complaint Procedure ("UCP")**

The Charter School is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. The Charter School shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Governing Board for the following types of complaints:

Unlawful discrimination includes, but is not limited to, noncompliance with Education Code section 243(a) or 244(a).
2. Complaints alleging a violation of state or federal law or regulation governing the following programs:
  - Accommodations for Pregnant, Parenting or Lactating Students;

3. Complaints alleging noncompliance with laws relating to pupil fees. A student enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:
  - A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory or is for credit.
  - A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
  - A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

Complaints of noncompliance with laws relating to pupil fees may be filed with the Executive Director or the Compliance Officer identified below.

4. Complaints alleging noncompliance with the requirements governing the Local Control Funding Formula (“LCFF”) or Local Control and Accountability Plans (“LCAP”) under Education Code sections 47606.5 and 47607.3, as applicable. If the Charter School adopts a School Plan for Student Achievement (“SPSA”) in addition to its LCAP, complaints of noncompliance with the requirements of the SPSA under Education Code sections 64000, 64001, 65000, and 65001 shall also fall under the UCP.

Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations (“C.F.R.”) sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations (“C.C.R.”) sections 15580 - 15584.

Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

Complaints other than complaints relating to pupil fees must be filed in writing with the following Compliance Officer:  
 Karissa Feierabend  
 Director  
 1480 Ross Hill Road, 707-682-6149

Only complaints regarding pupil fees, LCAP, or noncompliance with Education Code section 243 or 244 may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School’s Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School’s UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report (“Decision”) within sixty (60) calendar days from the Charter School’s receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School’s Decision to the California Department of Education (“CDE”) by filing a written appeal within thirty (30) calendar days of the date of the Charter School’s written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School’s Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School’s Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School’s Decision are not supported by substantial evidence.

4. The legal conclusion in the Charter School's Decision is inconsistent with the law.

5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

Complaints alleging noncompliance with Education Code section 243 or 244 may be filed with the SSPI directly, and the SSPI may directly intervene without waiting for an investigation by the Charter School. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

#### **Use of Student Information Learned from Social Media**

The Charter School complies with all federal, state, and local guidelines regarding the gathering and/or maintenance of information about any enrolled student obtained from social media in the student's educational record. The Charter School gathers student information from social media. Such information shall be maintained in the Charter School's records with regard to the student and shall be destroyed within one (1) year after a student turns 18 years of age or within one (1) year after the student is no longer enrolled in the Charter School, whichever occurs first. A non-minor student or a student's parent or guardian may access the student's records for examination of the information, request the removal of information or corrections made to information gathered or maintained by the Charter School by contacting the Executive Director.

**Work Permits**

Beginning August 1, 2024, any minor seeking the signature of a Charter School verifying authority on a Statement of Intent to Employ a Minor and Request for a Work Permit-Certificate of Age will be issued, before or at the time of receiving the signature of the verifying authority, a document clearly explaining basic labor rights extended to workers. An infographic explaining these rights is available at:

## **APPENDIX B: COMPLETE POLICIES**

## **Title IX Policy Prohibiting Discrimination On The Basis Of Sex**

This Title IX Policy Prohibiting Discrimination on the Basis of Sex (“Policy”) contains the policies and grievance procedures of Redwood Preparatory Academy (“Charter School”) to prevent and address sex discrimination, including but not limited to sexual harassment, sex-based hostile environment harassment, discrimination based on pregnancy or related conditions, sex-based discrimination in access to athletics or educational resources, and retaliation against a person who has reported sex discrimination.

Charter School does not discriminate on the basis of sex and prohibits any acts of sex discrimination in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 *et seq.*) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.<sup>4</sup> Charter School will take actions to promptly and effectively end any sex discrimination in its education program or activity, prevent its recurrence, and remedy its effects.

This Policy applies to conduct occurring in Charter School’s education programs or activities on or after August 1, 2024 including but not limited to incidents occurring on the school campus, during school-sponsored events and activities regardless of the location, and through school-owned technology, whether perpetrated by a student, parent/guardian, employee, volunteer, independent contractor or other person with whom Charter School does business.

Inquiries about the application of Title IX and 34 C.F.R. Part 106 (hereinafter collectively referred to as “Title IX”) may be referred to the Charter School Title IX Coordinator, the Office for Civil Rights of the U.S. Department of Education, or both.

### **Definitions**

#### **Prohibited Sex Discrimination**

Title IX and California law prohibit discrimination on the basis of sex, including sex-based harassment and differences in the treatment of similarly situated individuals on the basis of sex with regard to any aspect of services, benefits, or opportunities provided by Charter School. Discrimination on the basis of sex includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.

#### **Prohibited Sex-Based Harassment**

Under Title IX, “sex-based harassment” means conduct on the basis of sex that satisfies one or more of the following:

- Quid pro quo harassment occurs when an employee, agent, or other person authorized by Charter School to provide an aid, benefit, or service under Charter School’s education program or activity explicitly or impliedly conditions the provision of such an aid, benefit, or service on a person’s participation in unwelcome sexual conduct.
- Hostile environment harassment is unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person’s ability to participate in or benefit from Charter School’s education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:
  - The degree to which the conduct affected the complainant’s ability to access Charter School’s education program or activity;
  - The type, frequency, and duration of the conduct;
  - The parties’ ages, roles within Charter School’s education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;
  - The location of the conduct and the context in which the conduct occurred; and
  - Other sex-based harassment in Charter School’s education program or activity.
- Sexual assault, meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

<sup>4</sup> Charter School complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports and complaints of misconduct prohibited by this Policy.

- Dating violence, meaning violence committed by a person:
  - Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - Where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - The length of the relationship;
    - The type of relationship; and
    - The frequency of interaction between the persons involved in the relationship.
  
- Domestic violence, meaning felony or misdemeanor crimes committed by a person who:
  - Is a current or former spouse or intimate partner of the victim under applicable family or domestic violence laws, or a person similarly situated to a spouse of the victim;
  - Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;
  - Shares a child in common with the victim; or
  - Commits acts against a youth or adult victim who is protected from those acts under applicable family or domestic violence laws.
  
- Stalking, meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
  - Fear for the person's safety or the safety of others; or
  - Suffer substantial emotional distress.

Under California Education Code section 212.5, sexual harassment consists of conduct on the basis of sex, including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct on the basis of sex, regardless of whether or not the conduct is motivated by sexual desire, when: (a) submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, education, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment, educational or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and/or (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through Charter School.

Examples of conduct that may fall within the Title IX definition of sex-based harassment, the Education Code definition of sexual harassment, or both:

- Physical assaults of a sexual or sex-based nature, such as:
  - Rape, sexual battery, molestation or attempts to commit these assaults.
  - Intentional physical conduct that is sex-based or sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, poking another's body, violence, intentionally blocking normal movement or interfering with work or school because of sex.
  
- Unwanted sexual advances or propositions, derogatory sex-based comments, or other sex-based conduct, such as:
  - Sexually oriented or sex-based gestures, notices, epithets, slurs, remarks, jokes, or comments about a person's sexuality or sexual experience.
  - Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
  - Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student's or employee's performance more difficult because of the student's or the employee's sex.
  - Retaliation against an individual who has articulated a good faith concern about sex-based harassment.
  
- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:

- o Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
- o Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
- o Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations above are not to be construed as an all-inclusive list of sex-based harassment acts prohibited under this Policy.

**Complainant** means a student or employee who is alleged to have been subjected to conduct that could constitute sex-based discrimination, or a person other than a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination and who was participating or attempting to participate in Charter School's education program or activity at the time of the alleged sex discrimination. Complaints may also be made by: (1) a parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant; or (2) Charter School's Title IX Coordinator. For complaints of sex discrimination other than sex-based harassment, complaints can also be made by any student, employee, or other person who was participating or attempting to participate in Charter School's education program or activity at the time of the alleged sex discrimination.

**Complaint** means an oral or written request to Charter School that objectively can be understood as a request for Charter School to investigate and make a determination about alleged sex discrimination.

**Confidential Employee** means an employee of Charter School whose communications are privileged or confidential under Federal or State law (e.g., a licensed therapist or psychologist, etc.) or an employee whom Charter School has designated as confidential under Title IX for the purpose of providing services to persons related to sex discrimination.

**Party** means a complainant or respondent.

**Respondent** means a person who is alleged to have violated Charter School's prohibition on sex discrimination.

**Supportive Measures** are individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to a party to (1) restore or preserve that party's access to Charter School's education program or activity, including measures that are designed to protect the safety of the parties or Charter School's educational environment; or (2) provide support during Charter School's grievance procedures or during an informal resolution process.

### **Title IX Coordinator**

The Board of Directors of Charter School ("Board") has designated the following employee as the Title IX Coordinator ("Coordinator"):

**Amy Eastman**  
**Teacher**  
**1480 Ross Hill Road**  
**Fortuna, CA 95540**  
**aeastman@redwoodprep.org**  
**(707) 682-6149**

In the event the above-named individual becomes unavailable or unable to serve as the Coordinator, the Board has designated the following employee to serve as a temporary or interim Coordinator until a new Coordinator is designated:

**Karissa Feierabend**  
**Director**

**1480 Ross Hill Road**  
**Fortuna, CA 95540**  
[director@redwoodprep.org](mailto:director@redwoodprep.org)  
**(707) 682-6149**

The Coordinator is responsible for coordinating Charter School's efforts to comply with the requirements of Title IX, receiving reports and complaints of sex discrimination and inquiries about the application of Title IX, addressing reports and complaints of sex discrimination and taking other actions as required by this Policy, monitoring for barriers to reporting conduct that reasonably may constitute sex discrimination, and taking steps reasonably calculated to address such barriers.

The Coordinator may serve as an investigator and/or decisionmaker for complaints, except in cases where doing so would constitute a conflict of interest. The Coordinator may delegate one or more of their duties to one or more designees who have received the required Title IX training and do not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. However, the Coordinator must at all times retain ultimate oversight over those responsibilities and ensure Charter School's consistent compliance with Title IX.

### **Reporting Sex Discrimination**

All employees who are not a confidential employee must promptly notify the Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination under Title IX. This requirement does not apply to an employee when the employee is the person who was subjected to the conduct that reasonably may constitute sex discrimination.

Students are expected to report all incidents of misconduct prohibited by this Policy. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Charter School will promptly and effectively investigate and respond to all oral and written complaints and reports of misconduct prohibited by this Policy. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

### **Privacy**

Charter School acknowledges and respects every individual's right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes but is not limited to keeping the identity of the reporter and other personally identifiable information confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or designee on a case-by-case basis.

### **Retaliation**

Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a complaint in accordance with the grievance procedures set forth in this Policy.

Nothing in this Policy precludes Charter School from requiring an employee or other person authorized by Charter School to provide aid, benefit, or service under Charter School's education program or activity to participate as a witness in, or otherwise assist with, an investigation or proceeding under this Policy.

### **Confidential Employees**

Contact information for the confidential employees at Charter School, if any, can be found on the Charter School website or obtained from the Coordinator.

A confidential employee's status as confidential, for Title IX purposes, is only with respect to information received while the employee is functioning within the scope of their duties to which privilege or confidentiality applies or with respect to information received about sex discrimination in connection with providing services to persons related to sex discrimination.

A confidential employee must explain the following to any person who informs them of conduct that reasonably may constitute sex discrimination under Title IX:

- The employee's status as confidential for purposes of Title IX, including the circumstances in which the employee is not required to notify the Coordinator about conduct that reasonably may constitute sex discrimination;
- How to contact the Coordinator and how to make a complaint of sex discrimination; and
- That the Coordinator may be able to offer and coordinate supportive measures, as well as initiate an informal resolution process or an investigation under the grievance procedures.

### **Coordinator's Response to Reports of Sex Discrimination**

When notified of conduct that reasonably may constitute sex discrimination, the Coordinator or designee must:

- Treat complainants and respondents equitably;
- Promptly offer and coordinate supportive measures, as appropriate, for the complainant;
- If grievance procedures are initiated or an informal resolution process is offered; offer and coordinate supportive measures, as appropriate, for the respondent; and
- Notify the complainant or, if the complainant is unknown, the reporting individual, of the grievance procedures and informal resolution process, if available and appropriate. If a complaint is made, the Coordinator will notify the respondent of the same.

In response to a complaint, the Coordinator will initiate the grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties. In the absence of a complaint or the withdrawal of any or all of the allegations in a complaint, and in the absence or termination of an informal resolution process, the Coordinator must determine whether to initiate a complaint by considering, at a minimum:

- Complainant's request not to proceed with a complaint and the complainant's reasonable safety concerns;
- Risk that additional acts of sex-based discrimination would occur if a complaint is not initiated;
- Severity of the alleged conduct, including whether the discrimination, if established, would require removal or discipline of a respondent to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee;
- The scope of the alleged conduct including but not limited to whether there is a pattern, ongoing conduct, or impact to multiple individuals;
- The availability of evidence and the complainant's willingness to participate in the grievance procedures; and
- Whether Charter School could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

The Coordinator may initiate a complaint if the conduct as alleged presents an imminent and serious threat to the health or safety of the complainant or other person, or prevents Charter School from ensuring equal access on the basis of sex to its education program or activity. The Coordinator or designee must notify the complainant before initiating a complaint and appropriately address reasonable safety concerns, including by providing supportive measures.

The Coordinator will take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Charter School's education program or activity.

### **Supportive Measures**

Once notified of conduct that reasonably may constitute sex discrimination under Title IX, the Coordinator or designee will promptly contact the complainant to offer and coordinate supportive measures, as appropriate, for the complainant. If the

grievance procedures are initiated or informal resolution is offered, the Coordinator or designee will offer and coordinate supportive measures, as appropriate, for the respondent.

Supportive measures may include but are not limited to: counseling; extensions of deadlines and other course-related adjustments; campus escort services; increased security and monitoring of certain areas of the campus; restrictions on contact applied to one or more parties; leaves of absence; changes in class, work, housing, or extracurricular or any other activity, regardless of whether there is or is not a comparable alternative; and training and education programs related to sex-based harassment.

Supportive measures must not unreasonably burden either party or be imposed for punitive or disciplinary reasons. Supportive measures will be designed to protect the safety of the parties or Charter School's educational environment, or to provide support during the grievance procedures or the informal resolution process.

Parties may contact the Coordinator to discuss modification of any supportive measures. Parties also have the opportunity to seek modification or termination of a supportive measure applicable to them if circumstances change materially.

If the party is not satisfied with the Coordinator's decision on the request to modify supportive measures, the party may contact Karissa Feierabend, Director, 707-499-3063], who is an appropriate and impartial employee or who may designate such an employee, to seek modification or reversal of Charter School's decision to provide, deny, modify, or terminate supportive measures applicable to them. The impartial employee is someone other than the Coordinator who made the challenged decision and has the authority to modify or reverse the decision.

If a party is a student with a disability, the Coordinator must consult with one or more members of the student's IEP Team and 504 Team, if any, in the implementation of supportive measures for that student.

### **Informal Resolution**

At any time prior to determining whether sex discrimination occurred under Charter School's Title IX grievance procedures, Charter School may offer an informal resolution process to the parties. Charter School does not offer or facilitate informal resolution to resolve a complaint that includes allegations that an employee engaged in sex-based harassment of an elementary school or secondary school student, or when such a process would conflict with Federal, State, or local law.

Before initiation of the informal resolution process, the parties will be provided with notice that explains:

- o The allegations;
- o The requirements of the informal resolution process;
- o The right to withdraw and initiate or resume the grievance procedures;
- o That the parties' agreement to a resolution at the conclusion of the informal resolution process precludes the parties' use of the grievance procedures arising from the same allegations;
- o The potential terms that may be requested or offered in an informal resolution agreement (e.g., restrictions on contact and participation in activities or events) including notice that an informal resolution agreement is binding only on the parties; and
- o What information is retained and whether and how it may be disclosed by Charter School for use in grievance procedures if the grievance procedures are initiated or resumed.

Parties will not be required or pressured to agree to participate in the informal resolution process. Charter School will obtain the parties' voluntary consent to participate in the informal resolution process. Parties may end the informal resolution process and proceed with the grievance procedures at any time.

The facilitator of the informal resolution process will not be the same person as the investigator or the decisionmaker in the grievance procedures. The facilitator cannot have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The Coordinator will take appropriate prompt and effective steps to ensure sex discrimination does not continue or recur.

## **Grievance Procedures**

### **Scope and General Requirements**

Charter School has adopted these grievance procedures to provide for the prompt and equitable resolution of complaints of made by students, employees, or other individuals who are participating or attempting to participate in Charter School’s education program or activity, or by the Title IX Coordinator, alleging any action that would be prohibited by Title IX. Upon receipt of a complaint, the Coordinator or designee will promptly initiate these grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties.

Charter School requires that any Title IX Coordinator, investigator, or decisionmaker not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A decisionmaker may be the same person as the Coordinator or investigator.

Charter School will treat complainants and respondents equitably. Charter School presumes that the respondent is not responsible for the alleged sex discrimination until a determination is made at the conclusion of its grievance procedures.

Charter School may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances.

Charter School allows for the reasonable extension of timeframes on a case-by-case basis for good cause with notice to the parties that includes the reason for the delay. Requests for extensions must be submitted to the Coordinator in writing at least one (1) business day before the expiration of the timeframe. If a timeframe is extended, the Coordinator or designee will notify the parties of the new timeframe and the reason for the delay.

Charter School will take reasonable steps to protect the privacy of the parties and witnesses during its grievance procedures. These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses; consult with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the grievance procedures. The parties shall not engage in retaliation, including against witnesses.

Charter School will objectively evaluate all evidence that is relevant and not otherwise impermissible—including both inculpatory and exculpatory evidence.<sup>5</sup> Credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.

If a party is a student with a disability, the Coordinator or designee must consult with one or more members, as appropriate, of the student’s IEP Team and 504 Team, if any, to determine how to comply with the requirements of the Individuals with Disabilities Education Act (“IDEA”) and Section 504 of the Rehabilitation Act of 1973 (“Section 504”) throughout the grievance procedures.

### **Dismissal**

In most cases, Charter School will determine whether a complaint is dismissed within fifteen (15) business days of receipt of the complaint.

Charter School may dismiss a complaint if:

- Charter School is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in Charter School’s education program or activity and is not employed by Charter School;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Coordinator declines to initiate a complaint, and Charter School determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute sex discrimination under Title IX even if proven; or
- Charter School determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Prior to dismissing the complaint on this ground, Charter School will make reasonable efforts to clarify the allegations with the complainant.

---

<sup>5</sup> Inculpatory means tending to impute guilt or fault, and exculpatory means tending to absolve from guilt or fault.

Upon dismissal, the Coordinator or designee must promptly notify the complainant in writing of the basis for the dismissal and the complainant's right to appeal the dismissal on the following grounds within five (5) business days of the dismissal notice:

- Procedural irregularity that would change the outcome;
- New evidence that would change the outcome and that was not reasonably available when the determination whether sex-based harassment occurred or dismissal was made; and
- The Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

If the dismissal occurs after the respondent has been notified of the allegations, then the Coordinator or designee must also simultaneously notify the respondent in writing of the dismissal, the basis for the dismissal, and the respondent's right to appeal the dismissal on the above grounds within five (5) business days of the dismissal notice.

If the complaint is dismissed, the Coordinator or designee will offer supportive measures to the complainant, as appropriate. The Coordinator or designee will also offer supportive measures to the respondent, as appropriate, if the respondent has been notified of the allegations. The Coordinator will continue to take appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur. Dismissal does not preclude action under another applicable Charter School policy.

### **Appeal of a Dismissal**

If a dismissal is timely appealed in accordance with this Policy, the Coordinator or designee will promptly notify the parties in writing of the appeal, including notice of the allegations if such notice was not previously provided to the respondent, the contact information for the decisionmaker for the appeal, and the parties' right to submit a statement to the decisionmaker of the appeal in support of, or challenging, the outcome within five (5) business days of the appeal notice.

The decisionmaker for the appeal will be someone who has received the required Title IX training and did not take part in an investigation of the allegations or dismissal of the complaint. The appeal procedures will be implemented equally for the parties. Within fifteen (15) business days of the appeal notice to the parties, the decisionmaker will notify the parties in writing of the result of the appeal and the rationale for the result.

### **Notice of the Allegations**

Upon initiation of the grievance procedures, the Coordinator or designee will provide notice of the allegations to the parties whose identities are known. The notice will include:

- Charter School's grievance procedures and any informal resolution process;
- Sufficient information available at the time to allow the parties to respond to the allegations. Sufficient information includes the identities of the parties involved in the incident(s), the conduct alleged to constitute sex discrimination under Title IX, and the date(s) and location(s) of the alleged incident(s), to the extent that information is available to Charter School;
- A statement that retaliation is prohibited; and
- A statement that the parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence or an accurate description of this evidence; and if Charter School provides a description of the evidence, the parties are entitled to an equal opportunity to access to the relevant and not otherwise impermissible evidence upon the request of any party.

### **Emergency Removal**

Charter School may place a non-student employee respondent on administrative leave during the pendency of the grievance procedures in accordance with Charter School's policies.

Charter School may remove a respondent from Charter School's education program or activity on an emergency basis, in accordance with Charter School's policies, provided that Charter School undertakes an individualized safety and risk analysis, determines that an imminent and serious threat to the health or safety of any person arising from the allegations of sex discrimination justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision must not be construed to modify any rights under the IDEA, Section 504, or the ADA.

## **Investigation**

Investigations of complaints will be adequate, reliable, and impartial. In most cases, a thorough investigation will take no more than twenty-five (25) business days. Charter School has the burden to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The investigator will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance in accordance with Title IX.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be used, accessed or considered, except by Charter School to determine whether one of the exceptions listed below applies, and will not be disclosed), regardless of whether they are relevant:

- Evidence that is protected under a privilege recognized by Federal or State law or evidence provided to a confidential employee, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless Charter School obtains that party's or witness's voluntary, written consent for use in the grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless evidence about the complainant's prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.

The parties will have an equal opportunity to present fact witnesses and other inculpatory and exculpatory evidence that is relevant and not otherwise impermissible and to access such evidence. The parties may submit a written response to the investigator within five (5) business days of being provided with access to the evidence or an accurate description of it. The parties' timely submitted written responses, if any, will be considered by the investigator and decisionmaker before a determination of responsibility is made.

Charter School will take reasonable steps to prevent and address any unauthorized disclosure of information or evidence by the parties.

## **Determination of Responsibility**

Before making a determination of responsibility, the decisionmaker may question parties and witnesses to adequately assess a party's or witness's credibility to the extent credibility is in dispute and relevant to evaluating one or more allegations of sex discrimination.

Determinations will be based on an objective evaluation of all relevant and not otherwise impermissible evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

Within fifteen (15) business days of the expiration of the timeframe for the parties to submit a written response to the evidence or an accurate description of it, the decisionmaker will notify the parties in writing of the determination whether sex discrimination occurred including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal.

## **Appeal of the Determination of Responsibility**

Should a party find Charter School's determination unsatisfactory, the party may, within five (5) business days of notice of Charter School's determination, submit a written appeal to the Chair of the Charter School Board, who will serve as the decisionmaker for the appeal or designate a decisionmaker for the appeal. The decisionmaker for the appeal must not have taken part in the investigation of the allegations.

The decisionmaker for the appeal will: 1) notify the other party of the appeal in writing; 2) implement appeal procedures equally for the parties; 3) allow the parties to submit a written statement in support of, or challenging, the outcome within five (5) business days of the appeal or notice of the appeal; and 4) within fifteen (15) business days of the appeal, issue a written decision to the parties describing the result of the appeal and the rationale for the result.

### **Consequences**

Students or employees who engage in misconduct prohibited by this Policy may be subject to disciplinary action up to and including expulsion from Charter School or termination of employment. If there is a determination that sex discrimination occurred, the Coordinator or designee will coordinate the provision and implementation of any remedies and/or disciplinary sanctions ordered by Charter School including notification to the complainant of any such disciplinary sanctions. The Coordinator will take appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Charter School's education program or activity.

No party, witness, or other person participating in Charter School's grievance procedures will be disciplined for making a false statement or for engaging in consensual sexual conduct based solely on Charter School's determination whether sex discrimination occurred.

### **Student Pregnancy and Related Conditions**

Charter School will not discriminate against any student or applicant based on their current, potential, or past pregnancy or related conditions. For more information about policies and procedures applicable to employees who are pregnant or have a related condition, please refer to the Charter School employee handbook.

When a student, or a person who can legally act on behalf of the student, informs any employee of the student's pregnancy or related condition, unless the employee reasonably believes that the Coordinator has already been notified, the employee must promptly:

- Provide that person with the Coordinator's contact information; and
- Inform that person that the Coordinator can coordinate specific actions to prevent sex discrimination and ensure the student's equal access to Charter School's education programs and activities.

If a student, or a person who has a legal right to act on behalf of the student, notifies the Coordinator of the student's pregnancy or related condition, the Coordinator or designee must promptly:

- Inform the student, and if applicable, the person who notified the Coordinator of the student's pregnancy or related conditions and has a legal right to act on behalf of the student, of Charter School's obligations under:
  - 34 C.F.R. § 106.40(b)(1) through (5), which relates to the rights of students who are pregnant or have a related condition; and
  - 34 C.F.R. § 106.44(j), which includes rules on disclosures of personal information;
- Provide Charter School's Title IX notice of nondiscrimination; and
- Consult with the student about potential reasonable modifications to policies, practices, or procedures as necessary to prevent sex discrimination and ensure equal access, and if the student accepts an offered reasonable modification, implement the modification.

A student who is pregnant or has a related condition will be provided with a lactation space other than a bathroom, that is clean, shielded from view, free from intrusion from others, and may be used for expressing breast milk or breastfeeding as needed.

A student who is pregnant or has a related condition may voluntarily take a leave of absence for the time deemed medically necessary by the student's licensed healthcare provider, or if the student so chooses, the time allowed under any Charter School leave policy for which the student qualifies. A pregnant or parenting student is entitled to eight weeks of parental leave, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant.

Upon the student's return from leave, the student will be reinstated to the academic status, and, as practicable, to the extracurricular status that the student held when the leave began. The student will not be required to provide any kind of certification demonstrating their ability to physically participate in any class, program, or extracurricular activity unless:

- The certified level of physical ability or health is necessary for participation in the class, program, or extracurricular activity;
- Such certification is required of all students participating in the class, program, or extracurricular activity; and
- The information obtained is not used as a basis for sex discrimination.

Students who are pregnant or have a related condition will not be required to provide supporting documentation unless necessary and reasonable to determine reasonable modifications or additional actions related to lactation space, leaves of absence, or voluntary access to any available separate and comparable portion of the program.

### **Training**

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All employees, Coordinators and designees, investigators, decisionmakers, and other persons who are responsible for implementing Charter School's grievance procedures or have the authority to modify or terminate supportive measures will receive Title IX and sexual harassment training and/or instruction concerning sexual harassment as required by law.

### **Recordkeeping**

Charter School will maintain the following records for at least seven (7) years:

- For each complaint of sex discrimination, records documenting the informal resolution process or the grievance procedures, and the resulting outcome.
- For each notification the Coordinator receives of information about conduct that reasonably may constitute sex discrimination, records documenting the actions Charter School took to meet its obligations under 34 C.F.R. § 106.44.
- All materials used to provide required Title IX training. Charter School will make these training materials available upon request for inspection by members of the public.

The above records will be maintained in a secure location until destroyed in accordance with applicable laws and regulations.

## **Professional Boundaries: Staff/Student Interaction Policy**

RPC recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

### **Corporal Punishment**

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
  - 1. Stopping a student from fighting with another student
  - 2. Preventing a pupil from committing an act of vandalism;
  - 3. Defending yourself from physical injury or assault by a student;
  - 4. Forcing a pupil to give up a weapon or dangerous object;
  - 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
  - 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- B. Examples of PROHIBITED actions (corporal punishment)
  - 1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
  - 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
  - 3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

### Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

### Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a School administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the Director to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.
