As we look forward to exciting events like student assemblies and end-of-year celebrations, **please remember that students in grades 3-8 will also be taking the CAASPP test in the first two weeks of May.** This assessment is essential as it helps us understand how our students are growing academically and informs our teaching. **To help your child succeed, ensure they get plenty of rest, a nutritious breakfast, and arrive at school on time during their testing days.**

We're saying farewell to a few valued members of our RPC family as they embark on new adventures. Looking ahead to next year, we have the following staffing updates: Mrs. Burger will be joining AJJ Charter School in Southern Humboldt, and Mrs. Gittins will be stepping into the 3rd-grade teaching position. Our third-grade aide, Ms. Michele, and our Resource Teacher, Mrs. Taylor, are also venturing into a new chapter! We extend our sincere appreciation to Ms. Michele, Mrs. Burger, and Mrs. Taylor for their dedication to RPC.

We're looking forward to a strong finish to the year and celebrating all our students' achievements!

Thank you,

Karissa
