Community Service Project - Written Reflection

Congratulations! You have completed your 4 hours of community service and it is time to reflect on the time you spent helping others. In a typed essay, respond to the following points.

- Define what community service means to you. Why is it important?
- Where did you complete your community service hours? Describe the tasks you were asked to perform. (If you volunteered at more than one place, describe all tasks.)
- Did you enjoy the work that you did? Why or why not? Be honest.
- What would you have liked to do more of?
- How do you plan on continuing to perform community service in the future?

Your essay is due 1 week after your hours have been completed. It must be typed, proofread, polished, and printed. Please include your name in your essay.
